INDUSTRIAL TRAINING PROPOSAL

Affinis Techno Soft is a software development company in India. It has been operative independently since 2008 & recently been taken over by Affinis Engagements Pty. Ltd., a consultancy firm in Australia. Affinis Engagements is a Multi-national Company successfully providing its services currently in Australia, USA, Canada and India.

The core line of activity at ATS is to develop customized application software covering the entire responsibility of performing the initial system study, design, development, implementation and training. It also deals with consultancy services and Electronic Security systems. Its primary clientele includes educational institutes, entertainment industries, resorts, theme parks, service industry, telecom operators, media and other business houses working in various capacities.

Affinis Knowledgebase, the Research Training and Development Department of Affinis TechnoSoft is a professional training Company offering IT enabled services & industrial trainings for B.Tech, MCA, BCA, MSc and MBA fresher's and experienced developers/programmers in various platforms.

Typically students undergo training on particular technology platforms of their choice. Thereafter they would be assigned a Team Leader and he/she is expected to execute a live project work under the guidance of a Project manager/analyst. At the end of the program each trainee would need to submit a 'Project Report' of the work done, and would also be required to make a presentation before the management.

Summer Training /Industrial training will be provided for the students of BTEDU (IT, CS, EEE, ME, MBA and MCA) only. Deserving candidates may be awarded stipends, scholarships, and other benefits, depending on their performance and recommendations of the mentors.

Please go through the profile below and fill up the registration form attached with this brochure for further information.

Family Night: "Schooling Options"

Friday, April 1, 6:20-8:00 p.m.

How do you evaluate which method of education is best for your child? What are the options? What pitfalls do you watch for?

Parents, grandparents, and interested persons are invited to a fun and informative evening about the options of educating children. We will hear from parents who have chosen public school, private school and homeschooling. There will be a panel discussion and time to ask questions. This evening is intended to be informative and encouraging.

Supervision will be available for the children - under 3 in the nursery and ages 4-11 in the gym.

Devotional Library

Stop by the Children's Ministry office (downstairs) to see if there are any devotional books you would like to use with your children or teens. There is no return date on them. You can simply bring them back after a year or whenever you are finished with them.

If you have used children/family devotional books that you are finished with, please consider donating them to this library. See Janet Jera for more details.

Curriculum Review

I would invite any parents who have comments about the Sunday School materials we use to email or speak to Janet Jera. Are the bible story papers helpful? We are currently evaluating our curriculum and need feedback. Do you see growth in knowledge and character in your child that could be in a small way due to what they are being taught in church?

Please feel free to share comments, concerns and stories.

Parents or volunteers are invited to submit articles, insights, suggestions, etc. to Janet Jera for the quarterly Family Newsletter.

Isaiah 40:11: "He tends his flock like a shepherd: He gathers the lambs in his arms and carries them close to his heart; he gently leads those that have young." God's tender heart toward the vulnerable is shown in this verse. We also have a promise that God will guide us as parents.
